8.insert image for paragraph background:

last paragraph you should use two background

9.Selector Class and Id:

CSS Selectors

I'm a class selector

I'm the ID selector. Here I am a boss

I'm red

I'm also red

What is going on? why am I blue?!

I'm odd number

I'm even number

I'm also odd number

Hm..I'm even number

© Here is my GitHub page
Yes, it looks like promotion.. but also let me put my instagram page...:)
